Pantry News/Update:

The Brewerton Elementary School conducted a “**SOUPER BOWL Food Drive**” from January 24th through February 1st in honor of Sunday’s Superbowl featuring the Packers & Steelers. The results are in and the event was a HUGE success!

Together, the students, staff and teachers collected **482 non-perishable food items** during their week-long drive. The items are now lining the shelves at the food pantry and will be used to help those in need in the days to come. It’s amazing to see what our young citizens can do when they work together as a team. They are all **WINNERS** and their efforts are very much appreciated. **TOUCHDOWN!**
